```
        <p>Peaky Blinders is a British television action crime drama
set in 1920s Birmingham, England in the aftermath of World War I.
```

```
        The series, which was created by Steven Knight and
produced by Caryn Mandabach Productions and Tiger Aspect Productions, follows the exploits of
the Shelby crime family.
```

```
        Cillian Murphy plays Tommy Shelby, the gang's leader, and
Sam Neill as Chester Campbell is a commissioned detective who is tasked with suppressing the
gang.
```

```
        The series creators have reused the name of Peaky
Blinders, a 19th century urban youth gang who were active in the city until the 1890s and were
believed to sew razor blades into their caps.</p>
```

```
        <p class="dodatnitekst">The first series aired on BBC Two
on 13 September 2013 and ran for six episodes. The second series premiered on 2 October 2014.

        The third series premiered on 5 May 2016. On 26 May
2016, the BBC announced they had ordered a fourth and fifth series of the show.

        The fourth series premiered on 15 November 2017; after
the series finale broadcast on 20 December 2017, it was announced that the fifth series will be
